Dear Sir,

I am in receipt of your letter of the 13th instant which I placed before the Dewan.

The Dewan is grateful to you for your kind solicitude about his health.

As regards the Middle School building you speak of, I am to say that the present plan is all right and that the building will not interfere with the square, but rather enhance its importance.

Yours sincerely,

Mr. K. G. Shamanna, President, explained the object for which the Meeting had been called for and requested Mr. S. Sitaramaiya, the Councillor for the Division, to place before the Meeting all the facts pertaining to this question. Thereafter, the following resolutions were moved from the chair and were unanimously passed:-

I. The Ratepayers of the Basavangudi Division, assembled here in public this evening, deeply regret the recent resolution of the Municipal Council to undo its previous resolution to the effect that a Market be built in the place where it is already built, namely, in Mr. Bommalinganna's garden, and to shift it to another place which cannot be so central or sanitarily situated as the present one.

II. This Meeting further understands that it

Sir,

With reference to your letters Nos. L 7374 dated 27th March 1936 and L 7342 dated 26th March 1936 forwarding for report the petitions from the residents of Basavangudi, protesting against the proposal of the Bangalore City Municipal Council for shifting the newly constructed vegetable market in the Bommalinganna's garden to some other place in the Gandhi Bazaar, I have the honor to say as follows :-

The question of building a market, for Basavangudi was pending for the last 4 years. On 28-5-32 Mr. M.P.Somasekhara Rao Municipal Councillor, for Basavangudi Division, moved a proposition that the tope behind Dr. C.B.Rama Rao's bungalow be acquired for building a market, and a primary school for boys and girls. The proposition was referred to the City Improvement Committee. The City Improvement Committee at their meeting held on 29-10-32 referred the matter to the Municipal Commissioner for the preparation of a valuation statement.

However, the City Improvement Committee on 7-5-34 resolved that the market be kept to the line of the houses in Gandhi Bazaar, the idea being that the market should be built on the drain running across Gandhi Bazaar. An estimate for Rs. 3400/- was prepared and it was approved by the Municipal Council at their meeting held on 7-7-34.

As the site was unsuited for the purpose, it was suggested that the market may be built on the triangular plot

behind Gandhi Bazaar. This was referred to the City Improvement Committee and the spot was visited by them on 1-12-34. They were of opinion that the site was not suitable for a market and that the mango tope behind Dr. C.B.Rama Rao's bungalow be acquired. Accordingly proposals for the acquisition of a site measuring 100' x 100' out of the tope belonging to Mr. Kudur Kalappa at a cost of Rs.547/- were placed before the Council at their meeting on 15-4-35. They were approved and the sanction of Government was accorded to the acquisition vide G.O. No. L 1114-16/M1. 36-35-11 dated 5/7 August 1935. Acquisition proceedings were completed on 5-1-36 and the notice of award was issued to the party and the Municipal Engineer took possession of the property and commenced the construction of the market on 18-1-36. On 29.1.36 When the work had fairly advanced, Mr. S.K.Venkataranga Iyengar and 15 others sent in a proposition to be moved at the next meeting i.e. urging the Government to withdraw from the acquisition and to acquire instead the property of Shanbhog Krishnappa on Gandhi Bazaar Road for locating the market.

On 8-2-36 Messrs. W.P.Hanumanthappa, P. Subbarama Chetty and S.K.Venkataranga Iyengar sent in a proposition that the work of construction of the market on the land acquired from Mr. Kudur Kalappa in Basavangudi be desisted and the market be constructed in the vacant space belonging to the Municipality behind Kadarappa's house in Bazaar Street etc.,

Both the above propositions were considered by the Municipal Council at their meeting held on 24-2-36 and after a lengthy discussion it was resolved that the subject be deferred and the Council do inspect the spot.

The Council inspected the spot on 4-3-36 and the subject came up for consideration again before the Council on 19-3-36 and after a heated discussion it was resolved that the place was unsuited for a market.

Copies of the Council resolutions dated 28-2-32, 7-7-34, 15-4-35, 24-2-36 and 19-3-36 and the City Improvement Committee meeting resolutions dated 29-10-32, 7-5-34, 1-12-34 are enclosed

enclosed for favour of information of Government.

In the meantime petitions from the Rate Payers' Association, Basavangudi, the Co-operative Society and mass petitions are being received protesting against the proposal of the Municipal Council to shift the market.

The construction of the market is almost complete and applications for the lease of the stalls have been received

I have the honor to be,
Sir,
Your most obedient servant,

Municipal Commissioner.
